Dear Rajamangala Institute of Technology:

BayTSP represents the intellectual property interests of Activision that publish interactive games for video game consoles, personal computers, handheld devices and the Internet in the United States and in other countries. BayTSP is authorized to act on behalf of Activision whose copyright and other intellectual property rights it believes to be infringed as described herein.

BayTSP is providing this letter of notification to make Rajamangala Institute of Technology aware that the IP Address identified below is using the services and systems of Rajamangala Institute of Technology to infringe the exclusive copyright and other rights of one or more Activision works. This notice is addressed to you as the agent designated by Rajamangala Institute of Technology to receive notifications

of claimed infringement.

Through the Berne Convention and other international treaties covering intellectual property rights, BayTSP believes that its members\' rights in such entertainment software products are entitled to the full protection of the intellectual property law as well as other relevant laws of your country.

Based on the information at its disposal on 22 Jun 2009 09:43:50 GMT, BayTSP has a good faith belief that the subscriber using the IP address 203.158.160.9 is infringing the copyright rights of one or more Activision works by copying and distributing unauthorized copies of game products (through peer-to-peer or similar software/services), in violation of applicable copyright laws, through internet access that Rajamangala Institute of Technology provides directly to the 203.158.160.9 or through a downstream provider that purchases this access for 203.158.160.9. The copyrighted works that have been infringed include but are not limited to:
